

St. Olaf Catholic Church

Our Mission

- To actively promote renewed respect for the sanctity and dignity of human life.
- To support organizations that provide assistance to women in crisis pregnancies and to those who are seriously ill or dying, and their families.
- To work earnestly in our public life to bring about a cultural transformation in our laws and institutions in ways that defend a culture of life.
- To advance pro-life positions within the parish community and to deepen the respect and understanding for the rights of those who are unborn, seriously ill or otherwise dependent and vulnerable.
- To advance communal and individual prayer for justice and mercy, forming zealous men and women who are prepared to defend the Gospel of Life.
- To educate our fellow parishioners and the community of the immorality of abortion, euthanasia, human embryonic stem cell research, and the death penalty based on the teachings of the Catholic Church.
- To provide information, referrals and assistance about pro-life matters to individuals and families who make inquiries or when crises occur.
